# K-CONSAFETY EXPO 2025

Korea International Construction and Industrial Safety Expo 2025

Sept. 17(Wed) to 19(Fri), 2025 (for 3 days) / KINTEX Hall 4

---

## All Solutions for Construction Safety

Integrated Safety Technology Exhibition  
Special Pavilion for **Advanced Safety Industry**

Sponsored by  Ministry of Land, Infrastructure and Transport

 Ministry of Employment and Labor

 GYEONGGI-DO

Hosted by KINTEX kotra(International business meetings)

2025 K-CONSAFETY EXPO Office | Tel. +82-31-995-8599 / 8779 | E-mail: Kconsafetyexpo@kintex.com

# K-CONSAFETY EXPO 2025

Korea International Construction and Industrial Safety Expo 2025

Sept. 17(Wed) to 19(Fri), 2025 (for 3 days) / KINTEX

South Korea's Premier Exhibition on **CONSTRUCTION & INDUSTRIAL SAFETY**

- ✓ Addressing Global Demands for Construction and Industrial Safety
- ✓ A Tailored Showcase Aligned with Strengthened Government Safety Policies

**Date/Venue** Sept. 17(Wed) to 19(Fri), 2025 (for 3 days) / KINTEX Hall 4

**Host/Organizer** KINTEX kotra (International Business Meetings)

**Side Events** Construction Safety Leaders' Forum / KOTRA International Business Meetings / Domestic Business Meetings / Docent Tours for Buyers / Specialized Conferences and Seminars

**Official Media** 안전정보 (Safety Information)

**Website** [www.k-consafetyexpo.com](http://www.k-consafetyexpo.com)

Ministry of Land, Infrastructure and Transport

Ministry of Employment and Labor

GYEONGGI-DO

**Concurrent Exhibition**

K-Safety Expo 2025

## Exhibit Categories

### Smart Construction

Smart Control System, Drone Monitoring and Surveying Technologies, VR/AR Applications, Building Information Modeling (BIM) Solutions, and more.

### Smart Safety / Security

Intelligent Access Control Systems, Cutting-edge Safety and Security Technologies for Construction Sites, and other innovations.

### Construction Site Safety

Temporary Structures, Personal Protective Equipment (PPE), Safety Tools and Devices, On-site Facilities, Lift and Hoist Safety Solutions, and additional resources.

### Disaster-Resilient Building Materials

Earthquake-Resistant Technologies, Fireproof and Heat-Resistant Materials, Structural Collapse and Impact Prevention Systems, Disaster-Prepared Construction Materials, and more.

### Safety Inspections / Consulting / Training

Comprehensive Safety Inspections for Buildings / Facilities / Disaster Resilience, Consulting and Training on Compliance with the Serious Accident Punishment Act (SAPA), Safety Management Systems, and more.

### Industrial Safety Solutions

Comprehensive Products and Solutions for Industrial safety and Workplace.

### Fire Safety on Construction Sites

Advanced Fire Detection Systems, Fire Prevention Equipment, and related technologies.

### Building Equipment and Interior Materials

Construction Tools, Building Equipment, Various On-site Devices, Interior Materials and more.

### Heavy Construction Equipment

Heavy Construction Machinery, Collision Avoidance Systems, Integrated Control / Management Technologies, and more.

### Innovative Construction / Civil Engineering Techniques

Cutting-edge Methods for Construction / Roadworks / Civil Engineering Projects, including new technologies and advancements.

Why?

## Why you should participate in **K-ConSafety EXPO**?

- ✔ The **Best All-in-One Marketplace** for Construction Safety Solutions
- ✔ The Opportunity to **Boost Productivity and Competitive Advantage** with cutting-edge technologies: AI, Big Data, IoT, and Digital Twin, and more.
- ✔ The Exclusive Experience to **Engage in Specialized Side Events:** International Business Meetings, Specialized Conferences, Docent Tours, and more.
- ✔ The **Specialized Networking Platform** for Construction Safety, in collaboration with Domestic and International Construction Companies, Government Agencies, Major Construction Safety Organizations, and more.

## Concurrent Exhibitions

Aiming for **54,000m<sup>2</sup> Scaled Large Exhibition**  
Creating a **Catalytic Effect** by sharing the exhibition hall

# Post Show Review (2024)

**Exhibitors** 170 Companies, 480 Booths, 11,000m<sup>2</sup> Exhibition Space!

## Key Exhibitors 2024

## Visitors

### Statistics

### Position Distribution

Decision-makers (Chairman, CEO, etc.)	12.24%
Influential roles (Directors, key personnel)	31.63%
Practitioners (field workers, managers, etc.)	44.26%
Others/Unspecified	11.87%

### Position Distribution

Information gathering/Market research	36%
Investment/Partnership/New deals	32%
Product and technology Procurement	23%
Others	9%

### Affiliation

Government/Public institutions/Local authorities	46.1%
Construction companies	30.9%
Logistics/Trade/Facility management	11%
Academic institutions/Research centers/Associations	8.2%
Media	1.6%
Individuals and others	2.2%

### Job Sectors

Management	22.7%
Technical management	9.2%
Purchasing/Procurement	28.5%
R&D	18%
Sales/Marketing	14.6%
Design and others	7%
